APPROVED BOARD MINUTES

Present: Donnell Bell, Glen Benefield, Larry, Minich, Robert Talbot, Adolf Zubia,

Not Present: Cathy Short

President Adolf Zubia called a board meeting to address the breaking and entering of the Golf Club post office boxes.

Discussion arose as to what the Board can do to discourage and prevent the situation from happening in the future.

Suggestions included:

Installing Flood lights

Cameras

Motion detector

Sending a letter to the residents encouraging them to pick up their mail daily, and if they can't do that, ask a neighbor or family member to collect it for them.

Donnell Bell made a motion to incorporate these suggestions.

Robert Talbot seconded the motion.

Action Item: Adolf Zubia will write letter to residents. The installation will include the Golf Club mailboxes only as residents who use the Sedona Hills/Sonora Springs mailboxes have security cameras and visibility from them, too.

Respectfully submitted,

Donnell Bell
